

Canton Chamber
GIFTS
for Canton

November 15th – December 9th 2019

Canton Chamber GIFTS for Canton is a charitable program benefitting Canton residents in need of assistance. We work with the community to collect holiday gifts for all ages, including new and unwrapped toys, books, arts and crafts, games, puzzles, household items, clothing, non-perishable food items, and gift certificates. On December 10th, residents participating in Canton's Social Services and Food Bank join us for the Holiday Gift Distribution and select holiday gifts for their family members.

We invite you to show your support by donating gifts to a Gift Collection Box located at the following local businesses from November 15th- December 9th:
